

Algeria sells fiber optic cable junction boxes

Article Overview

Algeria offers a variety of fiber optic cable junction boxes through local suppliers and distributors, suitable for both indoor and outdoor installations.

Suppliers and Products

AEDHS.com supplies a wide range of fiber optic products across Algeria, including Algiers, Oran, Constantine, Annaba, and more. They offer major brands like Advanced Fiber Solutions, FLUKE, Fluke Networks, Keysight, and Molex, providing high-quality junction boxes and related fiber optic components with reliable door-to-door delivery and comprehensive support services. Alief specializes in fiber optic junction boxes for both indoor and outdoor use. Their offerings include:

- Outdoor FTTH terminal and distribution boxes (24 ports, 48 ports, up to 576 fibers)
 - Wall-mounted optical distribution boxes (4-16 ports, plastic or metal)
 - Outdoor junction boxes with multiple cassettes for 24 fibers, suitable for mounting on walls or pylons
 - Indoor metal wall-mounted boxes for 12-24 ports, without adapters
- Cofitel Algeria produces locally a wide range of fiber optic connectivity products, including turnkey fiber projects, ensuring high-quality materials and modern technology for junction boxes and related components. Fiber Center provides globally tested fiber optic products compatible with over 200 suppliers. They offer solutions for designing, connecting, protecting, and optimizing optical infrastructure, including junction boxes for various applications
