

Angola Lighting Distribution Box Equipment Manufacturer

Article Overview

Key manufacturers and suppliers of lighting distribution box equipment in Angola include AL - Siluz Angola, Equipafro Angola, CasLuz, and Hydro'Mont.

AL - Siluz Angola

AL is a leading Angolan manufacturer of electrical materials for construction, specializing in distribution boxes, electrical panels, and lighting equipment. They produce a wide range of products for electrical, water, and gas circuits, using materials such as PVC, ABS, polycarbonate, and reinforced polyester. AL handles both design and production in-house, ensuring compliance with national and international safety standards .

Equipafro Angola

Equipafro focuses on low and medium voltage electrical equipment, including distribution panels, transformers, and compact cells. They also provide public lighting solutions such as LED luminaires, streetlight columns, and projectors. With over 20 years of experience exporting to Africa, Equipafro offers technologies for efficient energy production, transport, and distribution .
