

Australian cable trays in stock

Article Overview

A wide range of cable trays, including stainless steel, aluminium, galvanised steel, perforated, T3, and T5 trays, are available from multiple Australian suppliers.

Suppliers and Options

RS Australia offers a comprehensive selection of cable trays suitable for commercial, industrial, and residential projects. Their range includes stainless steel for corrosion resistance, lightweight aluminium, and cost-effective galvanised steel, as well as cable baskets for enhanced ventilation. Products are available in various sizes and kits, and can be ordered online for delivery across Australia . CNW Electrical Wholesaler is a 100% Australian family-owned supplier providing a variety of cable trays and related electrical supplies. They focus on fast delivery and competitive pricing for both small and large projects . Ozstrut supplies cable trays compliant with Australian standards, including:

- Perforated Cable Tray: Light-duty, allows airflow to prevent overheating, ideal for fast installation.
- T3 Cable Tray: Standard for industrial/commercial use, supports higher cable loads, suitable for fire-rated systems.
- T5 Cable Tray: Heavy-duty with deeper sides for maximum cable capacity . MJS Electrical Supplies stocks aluminium, steel, and stainless steel cable trays in sizes like 75mm, 100mm, 150mm, and 300mm. They also provide perforated trays and accessories such as cable ties, clips, and brackets . 4Cabling offers single and double-layer cable management trays in lengths of 500mm, 1000mm, and 2000mm, ready to ship with free delivery on orders over \$50. They provide expert sales advice and...
