

Belize Communications Fiber Optic Cable Agent

Article Overview

Centaur Communications, Beeline Internet, Digi, and Nexgen are key providers of fiber optic and high-speed internet services in Belize.

Key Providers

Centaur Communications is a leading provider in northern Belize, offering cable television and fast internet services. Their main office is located at 61A Queen Victoria Ave., Orange Walk Town, and they can be contacted via phone at 380-0101 or 380-0102 for inquiries about fiber optic services and installations (Centaur Communications) .

Beeline Internet provides internet services across Belize and emphasizes customer satisfaction. Interested customers can reach out through their contact page to learn more about fiber optic connectivity options (Beeline Internet) .

Digi is Belize's leading mobile and broadband provider, offering high-speed data, broadband, and video services. As the only Quad-Play provider in the country, Digi delivers comprehensive connectivity solutions, including fiber optic internet for residential and business customers (Digi) .

Nexgen (Southern Cable Network Ltd.) offers high-speed internet and cable TV bundles, including fiber optic services in areas like Independence and Placencia. They provide installation support and troubleshooting through their local branches, maki...
