

Cable tray tee manufacturer

Article Overview

Leading manufacturers of cable tray tees include Armorduct Systems, Cablofil, Vantrunk, Øglænd System, and Atkore International, offering a range of materials and custom solutions.

Notable Manufacturers

Armorduct Systems Ltd – A UK-based manufacturer specializing in steel cable management systems, including cable trays, trunking, and bespoke solutions. They design and produce a wide range of standard and custom cable tray fittings, including tees, in-house for industrial and commercial applications . Cablofil – Known globally for wire mesh cable trays, Cablofil provides innovative cable management solutions. Their products include tees and other fittings, with tools like CabloCAD and a web configurator to design and estimate projects efficiently . Vantrunk – Serving the energy, oil and gas, and industrial sectors for over 50 years, Vantrunk manufactures engineered cable management products and support systems. They offer a variety of cable tray fittings, including tees, with access to technical resources and BIM files for project planning . Øglænd System – Offers a wide range of cable trays and ladder systems in materials such as stainless steel, galvanized steel, aluminum, and fiberglass. Their fittings, including tees, are designed for both onshore and offshore projects, with slot patterns and accessories for flexible installation . Atkore International – A major global supplier of cable trays and management systems, Atkore provides standard and custom roll-formed trays and fittings, including tees, in various materials like stainless steel and fiberglass. They cater to industrial, construction, and infrastructure projects worldwide
