

Canada New Type Cable Tray Wholesale and Installation

Article Overview

Canada offers a range of CSA-approved cable tray systems with wholesale supply and professional installation services from leading manufacturers like Unitray and Superior Tray.

Leading Cable Tray Manufacturers and Suppliers

Unitray is a prominent Canadian manufacturer of aluminum cable trays, offering CSA-approved Class C, D, and E trays in standard lengths of 3m, 5m, and 6m, with custom lengths available for specific projects. Their FASTRAY® system is designed for quick installation, reducing field labor and providing robust load capacities. Unitray emphasizes quality, ISO-certified production, and compliance with health, safety, and environmental standards, making it suitable for industrial, mining, and energy projects in Canada. Superior Tray Systems Inc. provides custom-designed, high-quality cable tray systems suitable for power, control, data, and telecom cables. Their products include ladder trays, solid bottom trays, and wire mesh trays for sensitive or fiber optic cables. Superior Tray also offers distribution and installation services, ensuring reliable and cost-effective solutions for commercial and industrial applications. ABB Electrification Canada supplies galvanized metallic cable tray systems that are adaptable and easier to maintain than conduit piping, ideal for evolving wiring needs in industrial and commercial projects. Other notable suppliers include Graybar Canada, Zip Tray, Lumen, Power Bus Way Ltd., Electron Metal, and Code Electric, which provide specialized solutions such as fiber cable segregation, high-voltage cable assemblies, and custom electrical distribution systems
