

Canadian Cable Tray Factory Source

Article Overview

Canada is home to several reputable cable tray manufacturers, including Superior Tray, Unitray, Graybar Canada, Zip Tray, and Lumen, each offering a variety of solutions for cable management.

Key Manufacturers

- **Superior Tray:** A leading manufacturer specializing in both standard and custom cable tray systems. They offer a range of products suitable for construction, telecommunications, and industrial projects, known for their durability and flexibility. Their trays come in various materials, including steel and aluminum, and include ladder trays, solid bottom trays, and perforated trays .
- **Unitray:** Known for high-quality and customizable cable tray solutions, Unitray provides products engineered for easy installation and long-lasting performance. Their offerings include ladder, perforated, and solid bottom trays, catering to industries such as manufacturing, mining, and energy .
- **Graybar Canada:** A well-established distributor of electrical, communications, and data networking products, Graybar also offers a variety of cable management solutions, including cable trays .
- **Zip Tray:** This manufacturer focuses on aluminum cable trays and is recognized for its lightweight yet strong products, designed for easy installation and maintenance .
- **T&B Cable Tray Systems:** Operating in Quebec, T&B offers a wide range of cable tray products, including aluminum and steel options. They are known for their quick turnaround times and ability to accommodate custom orders .
- **RangeRack:** Based in Quebec, RangeRack specializes in lightweight cable tray systems designed for fast installation. They emphasize customer service and quick delivery times, with a large inventory of popular items . These manufacturers provi...
