

China-Africa Bridge Three-Way Link

Overview

Constructed by China Civil Engineering Construction Corporation (CCECC) and China Railway 15th Bureau, the bridge has swiftly become a symbol of opportunity, connectivity, and economic revitalization in Tanzania's Lake Zone. Tanzanian President Samia Suluhu Hassan (third from left) cuts the ribbon to officially open the J. Magufuli Bridge at Kigongo in Misungwi District, Mwanza Region, on June 19, 2025. (Photo provided by CCECC) On June 19, the J. DAR ES SALAAM, June 24 (Xinhua) -- On a sunlit Thursday afternoon, thousands gathered along the. 1. 1 The Beijing Summit and Ninth Ministerial Conference of the Forum on China-Africa Cooperation (FOCAC) was held in Beijing from September 4 to 6, 2024. As an important bridge connecting both sides, the China-Africa Corridor plays an irreplaceable role in promoting bilateral. Africa has made remarkable strides across many development metrics, significantly improving life expectancy, literacy, health, and education. With its population set to double to around 2 billion by 2050, Africa's economic trajectory will increasingly shape global dynamics.
