

Conduit and Cable Tray Manufacturer

Article Overview

Leading manufacturers of conduits and cable trays include Niedax Group, ELCON Global, Atkore, and Delta Cable Trays, offering a wide range of materials, designs, and installation solutions.

Global Manufacturers

Niedax Group offers steel, aluminium, PVC, and GRP cable management systems with a full range of accessories. They provide solutions for ceilings, walls, and floors, along with technical consulting, planning, and installation services. Niedax operates in over 30 countries and includes specialized subsidiaries like Rico Engineering for complex industrial projects and Excel Electric Group for the UK and Ireland markets . ELCON Global in India manufactures hot-dip galvanized, pre-galvanized, powder-coated, and stainless steel cable trays, including ladder, perforated, and wire mesh types. They provide complete accessory sets, support systems, and customizable dimensions for industrial and commercial applications . Atkore produces electrical conduits, cable management, and infrastructure solutions designed to enhance safety, efficiency, and performance across industries . Delta Cable Trays supplies conduits, struts, and cable trays with high-strength, corrosion-resistant materials suitable for extreme environments. Their offerings include open mesh, enclosed, and fiberglass-reinforced trays, along with modular strut systems and custom fittings for industrial and commercial installations in the Middle East .

Other Notable Providers

- Snake Tray: Specializes in innovative cable management and power distribution products made in the USA .
- nVent ERICO: Offers rail industry cable connection solutions and fiberglass cable trays .
- Wiremold: Provides end-to-end wire and cable pathway solutions for commercial and industrial applications .
- Thomas & Betts (ABB Group): Manufactures essential components for electrical power management .

Key Considerations

When selecting a manufacturer, consider:

- Material: Steel, aluminium, PVC, or GRP depending on environmental conditions....
