

Czech Anti-corrosion Cable Tray Brands

Article Overview

ARKYS and FEMI-CZ are among the top Czech manufacturers of anti-corrosion cable trays, offering high-quality solutions for industrial and commercial installations.

ARKYS

ARKYS has been operating in the Czech market for over 25 years and is recognized as the largest manufacturer and supplier of wire mesh cable trays in the country . Their products are particularly suitable for environments where corrosion resistance is important, as wire mesh trays allow excellent ventilation and reduce moisture accumulation, which helps prevent rust and degradation. ARKYS is well-regarded for its local expertise, extensive product range, and long-standing presence in the Czech Republic.

FEMI-CZ

FEMI-CZ specializes in metallic cable trays including ladder, solid bottom, and mesh types, with options for stainless steel, hot-dip galvanized steel, and fiberglass-reinforced polyester (GRP) . Their products are designed for both civil and industrial installations, including harsh environments such as chemical plants, wastewater facilities, and outdoor applications. Fiberglass trays from FEMI-CZ are lightweight, highly resistant to corrosion, and suitable for saline, humid, or chemically aggressive environments, making them ideal for long-term durability . FEMI-CZ also offers customized solutions for large-scale projects, ensuring flexibility in design and installation....
