

Direct Sales from Indonesian Fiber Optic Terminal Box Manufacturer

Article Overview

Indonesian manufacturers like Norden Communication, GETEKnet, and PT. Sinar Surya Komindo offer direct sales of fiber optic terminal boxes with options for customization and bulk purchase.

Key Manufacturers and Suppliers

1. Norden Communication Norden is a leading FTTH fiber distribution box manufacturer in Indonesia. Their Optinor range is designed for fiber splicing, distribution, and protection, suitable for both wall-mounted and pole-mounted outdoor applications. The boxes feature IP65 waterproof protection, ensuring durability in outdoor environments. Norden offers direct sales in Indonesia, providing competitive pricing for bulk orders and quality-assured products . 2. GETEKnet GETEKnet specializes in OEM and ODM fiber optic enclosures, including fiber splice boxes, fiber closures, and fiber terminal boxes. They cater to FTTH and data center deployments and can customize products to meet specific installation requirements. Their engineering team ensures strict quality control and can assist in transforming design ideas into feasible products. GETEKnet's boxes support various cable diameters and IP ratings, including IP65 and IP68, making them suitable for diverse network applications . 3. PT. Sinar Surya Komindo This company provides Optical Distribution Frames (ODF) and Optical Termination Boxes (OTB) for high-density fiber networks. Their products are designed for fiber patching, splicing, fixation, and management, supporting applications in FTTx, LAN, Metro networks, and CATV. PT. Sinar Surya Komindo emphasizes high stability, reliability, and superior optical perf...
