

Distribution Box Parts Manufacturer in Bahrain

Article Overview

Key manufacturers of distribution boxes and electrical panels in Bahrain include Ascon Control, Bahra Electric, Haji Ali Haji Group, and Coloria Group, offering a range of industrial, commercial, and healthcare solutions.

Leading Manufacturers and Suppliers

1. Ascon Control WLL Ascon Control is an ISO 9001:2015 certified company with factories in Bahrain and Saudi Arabia, specializing in main distribution boards, sub-main boards, final distribution boards, metering panels, motor control centers, and ATS panels. Their products comply with IEC standards and are designed for indoor and outdoor applications, with IP ratings suitable for residential, commercial, and industrial environments. Ascon also provides customized solutions for hazard-free electrical energy use and has experience with government, oil & gas, and large-scale utility projects in Bahrain and the GCC region . 2. Bahra Electric Bahra Electric is a full-system provider in power distribution, producing distribution boards, LV and MV cables, transformers, busways, and earthing systems. They serve major infrastructure, hospitals, airports, and industrial projects, including Bahrain International Airport. Their products are designed for reliability in harsh environments and comply with international standards, supporting both local and export markets . 3. Haji Ali Haji Group (HAHCO) HAHCO specializes in low voltage switchboard manufacturing and provides complete solutions for power distribution, protection, and control. They offer a wide range of electrical materials and represent reputable manufacturers across the GCC. HAHCO is known for its quality, flexibility, and reliab...
