

EML Quotation for Air-Cooled Switches

Overview

Put all important details in your email. Add product specifications, quantities, and delivery needs. This helps you get correct quotes. Timeline of keeping information is 90 days. Please contact your local Rockwell Automation Sales Engineer for the below specifications, in CSI format. 6T-2xDR4H optical transceiver is fully compatible with NVIDIA/Mellanox MMS4A00-XM/MMS4C10-XM

(980-9IAH1-00XM00/980-9IAU0-00XM01) and is purpose-built for next-generation InfiniBand XDR and high-speed Ethernet data center interconnect. 6Tb/s dual-port OSFP224 transceiver adopts. Crafting a clear Request for Quotation (RFQ) email is your first step toward getting exactly what you need from suppliers. Referring to a template takes the guesswork out of the process, helping you cover all your bases and get the quotes you. Vertiv™ SwitchAir helps prevent failure by channeling cool air from the front of the rack to the air intakes regardless of where the equipment is mounted. Reduces the likelihood of premature equipment. An email quote is a formal document or message that outlines the price and terms for products or services offered, sent via email. It helps clarify expectations before work begins or a sale is finalized.
