

Eastern Europe Long-Span Cable Tray Quotation

Article Overview

You can request quotations for long-span cable trays in Eastern Europe from suppliers like Eurotray, Eurostrut, Ekabel24, and BAKS, all offering online tools and direct quote options.

Key Suppliers and Options

Eurotray provides a wide range of steel cable trays suitable for industrial and commercial projects. They offer hot-dip galvanized and stainless steel options, with production facilities in Turkey and Germany. You can submit a quote request directly through their website, and their technical team will respond with pricing and specifications tailored to your project requirements (Eurotray) . Eurostrut specializes in durable cable management systems, including long-span trays, distribution trays, and NATO-type models. Their products are designed for indoor and outdoor use, with open or perforated designs to reduce overheating. Quotes can be requested directly via their webshop, allowing for fast and efficient procurement (Eurostrut) . Ekabel24 offers a comprehensive selection of cable trays, ladders, and trunking systems compliant with DIN EN 61537 and international standards. They provide hot-dip galvanized steel, stainless steel, and halogen-free plastic options. Their online catalog allows you to select products based on load, environment, and installation requirements, and request quotations for bulk or project-specific orders (Ekabel24) . BAKS provides long-span cable tray systems with online calculation modules for load simulation, cable filling, and cost estimation. Their PV Baks design app enables rapid project planning, including estimated pricing and weight calculations. BAKS also off...
