

Electric Distribution Box Manufacturer Wholesale

Article Overview

Electrical distribution box wholesale manufacturers include both U.S. and international suppliers offering bulk, custom, and OEM options.

U.S.-Based Manufacturers and Distributors

- **E•Box:** Specializes in UL-rated electrical enclosures with over 35 years of experience. They offer custom sizes, colors, and applications, with fast lead times and a large inventory of finished goods. E•Box supports both small and large orders, shipping half of small orders within two days, and provides consigned inventory in multiple U.S. cities .
- **Wesco:** A global leader in electrical distribution and supply chain services, Wesco provides a wide range of electrical products, including distribution boxes, with extensive logistics and procurement support for wholesale buyers .
- **Graybar:** A major North American distributor of electrical, datacom, and industrial equipment. Graybar offers advanced supply chain services, technical support, and bulk procurement options for electrical distribution systems .

China-Based Manufacturers

- **E-Abel:** A leading Chinese manufacturer of electrical enclosures, exporting worldwide. They provide various types of electrical distribution boxes suitable for wholesale and OEM orders .
- **Made-in-China Suppliers:** Numerous Chinese factories offer electrical distribution boxes with wholesale pricing, modular designs, IP-rated enclosures, and customization options such as busbar fitment, cable entry modifications, and logo embossing. These suppliers cater to large-volume orders and provide OEM/ODM services for global distributors .

Key Considerations for Wholesale Procurement

- **Customization:** Many manufacturers allow OEM branding, custom sizes, and specific configurations to meet project requirements.
- **Lead Time:** U.S. suppliers like E•Box can ship small orders within days, while custom or large-volume orders may take longer. Chinese manufacturers may offer competitive pricing but require longer shipping times.
- **Compliance:** Ensure enclosures meet relevant standards such as UL or IP ratings f...
