

Electrical Distribution Box Manufacturers in the Middle East

Article Overview

Kingston Holdings and WAROM are among the largest manufacturers of electrical distribution boxes in the Middle East, with extensive production facilities and high-capacity output for industrial and utility projects.

Kingston Holdings

Kingston Holdings, headquartered in Sharjah, UAE, operates one of the largest electrical product manufacturing facilities in Asia and Europe, spanning over a million square feet. The company produces more than 5,000 electrical products, including high-capacity distribution boxes, and serves over 120 countries, including the Middle East. Their facility is ISO certified and adheres to international standards such as IEC and BS, making them a major supplier for large-scale industrial, commercial, and residential projects.

WAROM Technology MENA

WAROM Technology MENA FZCO, based in the UAE, is a joint venture focused on the Middle East and North Africa. It is recognized as one of the top five largest explosion-proof electrical enterprises globally. Their 5,500 square meter facility includes assembly, warehousing, and showroom capabilities, allowing them to supply mega-size distribution boxes for industries such as oil and gas, petrochemicals, and large infrastructure projects. WAROM has been involved in high-profile projects and is prequalified with major clients like ADNOC, Dubai Petroleum, and SABIC, highlightin...
