

Ggd Distribution Box Housing Manufacturer

Article Overview

Leading manufacturers of GGD distribution box housings include JINGUAN ELECTRIC, Honcon Electric, Pino Electric Technology, GRL, and E-Abel, offering high-quality low-voltage distribution cabinets for industrial and commercial applications.

Key Manufacturers and Their Offerings

- 1. JINGUAN ELECTRIC (China)** JINGUAN ELECTRIC, based in Nanyang, Henan Province, China, has over 45 years of experience in manufacturing electrical distribution equipment. Their GGD Series Distribution Cabinets are designed for low-voltage power distribution, featuring rigorous multi-stage quality control, compliance with IEC, GB/T, IEEE, and EN standards, and advanced production facilities including CNC machining, robotic welding, and automated assembly lines. They support OEM, ODM, and bulk orders with worldwide delivery and lifetime technical support .
- 2. Honcon Electric (China)** Honcon Electric produces low-voltage fixed distribution cabinets with assembled structures, high assembly accuracy, and reliable grounding. Their GGD cabinets feature modular designs, enhanced heat dissipation, and reinforced compartments for circuit breakers and cables. Honcon also provides intelligent distribution systems, medium- and low-voltage switchgear, prefabricated substations, and power grid solutions, with products exported globally and verified by TÜV Rheinland .
- 3. Pino Electric Technology Co., Ltd (China)** Pino Electric specializes in GGD fixed sw...
