

Italian electrical distribution box installation manufacturer

Article Overview

Italy has a range of specialized companies offering design, installation, and maintenance of electrical distribution boxes for both industrial and residential applications.

Key Companies and Services

CEAR s.r.l. has been providing turnkey solutions since 1980, including feasibility studies, design, construction, installation, and commissioning of medium and low voltage switchgears, power and control panels, and complete industrial automation systems equipped with PLC and SCADA. They serve both safe and hazardous areas and deliver worldwide, ensuring high-quality and safety standards in electrical distribution and automation systems (CEAR s.r.l.), . ETA S.p.A. specializes in manufacturing high-quality enclosures, cabinets, and electrical boxes. Their products include wall-mounted and freestanding enclosures, modular cabinets, industrial consoles, and junction boxes. ETA focuses on durability, reliability, and tailored solutions for industrial automation and complex electrical systems (ETA S.p.A.), . Other notable electrical installation companies in Italy include:

- Mancino S.r.l. – Offers installation and configuration of civil and industrial electrical systems, including automation and surveillance systems (ensun.io), .
- Ineltec – Provides installation and maintenance for manufacturing and commercial electrical systems (ensun.io), .
- COEMI – Specializes in detailed engineering, commissioning, and troubleshooting f...
