

Price of Field Fiber Optic Quick Connectors

Article Overview

Field fiber optic quick connectors typically range from \$5 to \$20 per connector, depending on type, fiber compatibility, and vendor.

Overview of Field Fiber Optic Quick Connectors

Field fiber optic quick connectors, also known as fast connectors or field-assembly connectors, are designed for rapid termination of optical fibers without the need for epoxy, polishing, or specialized tools . They use a pre-polished ferrule and mechanical splice to ensure minimal signal loss and reliable connections, making them ideal for FTTH deployments, data centers, and high-speed networks . Common types include:

- SC Fast Connectors: Compatible with SC ports, available for single-mode and multimode fibers, widely used in FTTH and enterprise cabling .
- LC Fast Connectors: Smaller form factor, suitable for high-density applications.
- FC Fast Connectors: Pre-assembled, field-installable connectors for quick termination in fiber networks .

Typical Pricing

While prices vary by vendor, fiber type, and connector design, industry averages are approximately:...
