

Professional Fiberglass Straight Cable Tray Company

Article Overview

Top professional FRP cable tray manufacturers include Shandong Hongfeng, Creative Composites Group, MP Husky, and NHC, offering high-quality, corrosion-resistant, and customizable fiberglass cable tray systems.

Leading Manufacturers

Shandong Hongfeng Power Technology Co., Ltd. specializes in cable tray systems with over 20 years of experience. They operate 200,000² of facilities with ten automated production lines and two powder coating lines, achieving an annual capacity of 100,000 tons. Hongfeng provides factory-direct cable tray systems with flexible customization, complete fittings, and technical support for industrial and infrastructure projects, emphasizing quality control and rapid delivery for overseas B2B cooperation . Creative Composites Group produces Enduro FRP cable trays designed for extreme conditions, including offshore platforms, chemical plants, and refineries. Their pultruded fiberglass trays are highly durable, corrosion-resistant, non-conductive, and impact-resistant, offering a superior strength-to-weight ratio compared to steel . MP Husky has over 30 years of experience in the offshore Oil & Gas industry. Their fiberglass cable trays are non-conductive, non-magnetic, corrosion-resistant, and lightweight, weighing one-third of steel trays while maintaining superior strength. MP Husky offers polyester and vinylester resin systems, flame-retardant and self-extinguishing properties, and custom color options, making them suitable for harsh industrial environments . Nanjing Hypro Composites (NHC) manufactures high-quality FRP cable trays with a focus on high strength, ligh...
