

Professional supplier of cable tray mesh

Article Overview

Top professional manufacturers of wire mesh cable trays include VALDINOX, Cablofil, JLH Electric, and Spina Group, offering high-quality, customizable solutions for industrial and commercial applications.

Leading Manufacturers

VALDINOX specializes in wire mesh cable trays, supports, and accessories, with one of the largest production capacities in Europe. Their EASYCONNECT® system integrates a unique fixing mechanism that reduces installation time and enhances safety and durability. VALDINOX emphasizes custom-made solutions, ensuring compliance with project-specific requirements and delivering robust, versatile cable management systems for diverse environments. Cablofil is a globally recognized brand, first introduced in Europe in 1972. They provide innovative wire mesh cable trays suitable for virtually any installation. Cablofil also offers the CabloCAD application for 3D modeling and a web configurator for project estimation, making it easier to plan and implement cable management solutions. JLH Electric (Shandong TAIAN JINHENG Electric Co., Ltd) is a professional manufacturer based in China, offering a wide range of cable trays including wire mesh, perforated, ladder, and trunking systems. They hold ISO 9001:2015, ISO 14001, ISO 45001, and CE certifications. JLH Electric operates a 10,000-square-meter factory equipped with advanced machinery, ensuring high-quality production, competitive pricing, and timely delivery for global customers. Spina Group provides wire mesh cable trays designed for versatility, ventilation, and fast installation. Their trays are available in galvanized, stainless steel, or electro-zinc finishes, suitable for industries such as food processing, telecommunications, construction, and oil & gas. Spina Group also offer...
