

Recommended Explosion-proof Cable Tray Brands

Article Overview

Top explosion-proof cable tray brands include Eaton, Schneider Electric, Legrand, Atkore, Marco, EX Industries, and Spina Group, all offering certified solutions for hazardous environments.

Leading Brands and Manufacturers

Eaton Corporation – Eaton provides galvanized cable tray systems designed for industrial and commercial applications, including oil & gas and chemical facilities, ensuring durability and compliance with safety standards . Schneider Electric – Offers robust cable management solutions suitable for challenging industrial settings, including explosion-prone areas, with galvanized trays that meet rigorous safety requirements . Legrand Group – Specializes in cable management systems that combine durability and aesthetic appeal, with trays capable of withstanding harsh conditions . Atkore International (Cope Cable Tray) – Known for highly durable galvanized cable trays, particularly for petrochemical and power generation facilities, offering specialized products for hazardous locations . Marco Cable Tray Systems – Provides versatile galvanized cable trays adaptable to complex installations, suitable for industrial and hazardous environments . EX Industries – Focuses on explosion-proof cables and accessories for hazardous environments, including ATEX, IECEx, and NEC Division 2 applications. They also provide guidance on proper cable tray and gland selection . Spina Group – Italian manufacturer offering Schiavetti Tekno cable trays and accessories with UL certification and NEMA compliance, suitable for high-corrosion and explosion-risk environments . ABB – Supplies hazardous area cable gl...
