

Recommended Italian manufacturers of complete electrical distribution boxes

Article Overview

Italy hosts several reputable manufacturers of electrical distribution boxes, including Master Divisione Elettrica, ETA S.p.A., Lafer Srl, Irinox S.p.A., and Gimax Srl, offering a wide range of customizable enclosures for industrial and residential applications.

Key Manufacturers

Master Divisione Elettrica Founded in 1982, Master is a leading Italian manufacturer of electrical supplies for residential, commercial, and industrial use. Their product range includes surface-mounted boxes in multiple sizes and colors, as well as home automation systems and smart home solutions, making them a versatile provider for both civil and industrial applications (Master Divisione Elettrica), . ETA S.p.A. Established in 1978, ETA specializes in high-quality enclosures, cabinets, and boxes for industrial automation, LV energy distribution, and IT applications. They offer wall-mounted and freestanding enclosures, modular cabinets, junction boxes, and fully customized solutions. ETA emphasizes innovation, durability, and international standards compliance, with a strong R&D focus and global presence (ETA S.p.A.), . Lafer Srl Lafer Srl, active since the 1960s, produces electrical cabinets and enclosures, including distribution panels and switchboards. The company uses advanced automated systems and skilled personnel to ensure high-quality production, offering a comprehensive range suitable for various industrial applications while adhering to international safety standards (Lafer Srl), . Irinox S.p.A. Based in Conegliano, Irinox S.p.A. manufactures electrical enclosures and cabinets, focusing on industrial and automation sectors. They provide customizable solutions...
