

# South African electricity meter and distribution box manufacturer

## Article Overview

Key South African manufacturers of electricity meters and distribution boxes include Golnix, PPS Power Process Systems, Allbro, Hadaad Engineering, Switch Boards Unlimited, and Umeme Africa Engineering.

### Golnix

Golnix, based in George (Southern Cape), manufactures low voltage polyethylene, fiberglass, and steel metering and distribution kiosks and enclosures. They supply products throughout South Africa, Namibia, and other African countries. Their product range includes glassfibre kiosks, steel and stainless steel enclosures, and distribution boards, catering to both commercial and industrial applications .

### PPS Power Process Systems

PPS, with facilities in Johannesburg and Cape Town, is one of South Africa's largest reticulation enclosure and distribution panel manufacturers. They produce electrical distribution boards, kiosks, boxes, circuit breakers, and OEM-specified LV switchgear. PPS manufactures in stainless steel, mild steel, DMC/fiberglass, and polyethylene, and their products comply with SABS standards. They offer both stock and custom solutions for commercial, industrial, and utility projects .
