

Ultra-high voltage optical cable source manufacturer

Article Overview

Leading manufacturers of ultra-high voltage optical cables include Hengtong Group, Tratos, Furukawa Electric, LS Cable & System, and NKT.

Hengtong Group

Hengtong Group, based in China, is a global leader in optical fiber and power cable manufacturing, with a strong focus on ultra-high voltage submarine and terrestrial cables. They have developed 500 kV high-voltage, large-cross-section (2,500 mm²), and long-span XLPE optical fiber composite submarine cables, as well as flexible high-voltage DC submarine composite wires (± 320 kV) and advanced flexible joints for submarine applications. Hengtong operates 12 manufacturing facilities and 9 sales companies worldwide, supplying products to over 150 countries, and has achieved breakthroughs in ultra-length repeaterless submarine optical cables .

Tratos Group

Tratos, an Italian manufacturer founded in 1966, produces electrical and fiber optic cables for energy, telecommunications, and specialized projects. They are known for innovative solutions, including superconducting cables for high-energy research facilities like CERN. Tratos emphasizes bespoke cable solutions for high-voltage networks and offshore energy projects, with a strong commitment to sustainability and green manufacturing practices
