

Vertical cable tray companies

Article Overview

Leading vertical cable tray manufacturers include Atkore International, Niedax Group, Vantrunk, Øglænd System, and Ekabel24, offering a wide range of materials, sizes, and accessories for industrial and commercial applications.

Key Manufacturers and Suppliers

Atkore International is a prominent global manufacturer of cable trays and cable management systems, providing galvanized, stainless steel, and fiberglass options suitable for industrial, commercial, and infrastructure projects . Niedax Group offers steel, aluminum, PVC, and GRP cable management systems, including vertical trays, ladders, and accessories. They specialize in large-scale projects and provide technical consulting, planning, and installation support across more than 30 countries . Vantrunk focuses on engineered cable management solutions for the energy, oil and gas, and industrial processing sectors. They provide vertical cable trays and support systems with extensive technical resources, including BIM files and installation guides . Øglænd System manufactures cable trays in stainless steel, galvanized steel, aluminum, and fiberglass composites. Their vertical trays are designed for both onshore and offshore projects, with a variety of heights, widths, and slot patterns for flexible installation . Ekabel24 supplies high-quality cable trays and ladders in hot-dip galvanized steel, stainless steel, and halogen-free plastic. Their systems comply with DIN EN 61537 and international standards, suitable for industrial facilities, research centers, and construction projects .
