

What are some Malaysian manufacturers of galvanized cable trays

Article Overview

Several Malaysian companies, including SAN Engineering, U-LI Group, Maple Precision, and UMI/Sun Energy System, are well-suited for supplying and installing galvanized cable trays.

Recommended Companies

1. SAN Engineering and Electrical Support SAN Engineering manufactures high-quality hot-dip galvanized (HDG) cable trays using top-grade steel, ensuring corrosion resistance and compliance with local and international standards. They offer a wide range of cable tray systems, including stainless steel and aluminum options, with finishes such as zinc, PVC, and epoxy. Their trays are designed for efficient cable routing, easy maintenance, and long-term durability, making them suitable for industrial and commercial installations in Malaysia . 2. U-LI Group U-LI Group has been a leading manufacturer of cable support systems since 1978. They provide pre-galvanized and hot-dip galvanized steel cable trays, perforated trays, and cable ladders. Their products comply with recognized international standards and feature integrated coupling systems for fast installation. U-LI's solutions are ideal for medium to heavy-duty cable installations in buildings, factories, and industrial complexes . 3. Maple Precision Maple Precision specializes in heavy-duty galvanized and stainless steel cable trays designed to withstand Malaysia's humid climate. Their products are durable, easy to install, and suitable for industrial, oil and gas, and infrastructure projects. They offer ladder, perforated, and wire mesh trays with corrosion-resistant properties . 4. UMI / Sun Energy System Sdn Bhd UMI produces electro-galvanized a...
