

Which company makes Austrian electrical distribution boxes

Article Overview

Several Austrian companies manufacture electrical distribution boxes, including Steinbacher Energie, EPS Electric Power Systems GmbH, GIFAS-ELECTRIC GmbH, and Niedax.

Key Manufacturers

Steinbacher Energie is one of Austria's oldest manufacturers of meter boxes and distribution cabinets, offering a wide range of products for energy distribution and civil engineering projects, with a focus on quality and sustainability . EPS Electric Power Systems GmbH specializes in electrical distribution solutions, including planning, installation, and maintenance of power distribution systems, as well as uninterruptible power supply (UPS) systems and room-in-room solutions for data centers . GIFAS-ELECTRIC GmbH provides a diverse range of electrical distribution products, such as solid rubber distributors, underfloor distributors, energy pillars, and floor sockets, catering to various industrial and municipal sectors . Niedax offers complete solutions for cable laying technology and power distribution, including copper busbars, brass neutral links, and other accessories for distribution boxes, serving both industrial and commercial applications .

Additional Suppliers

Other notable Austrian companies involved in electrical distribution include ELIN, which focuses on high and medium voltage systems, and Verbund, which operates...
