

Which fiber optic communication companies are there in Grenada

Article Overview

Key fiber optic internet providers in Grenada include Flow Grenada, Digicel Grenada, C Spire, and AT&T.

Major Fiber Providers

Flow Grenada Flow is the leading telecommunications provider in Grenada, offering fiber optic broadband, DSL, HFC cable, and mobile internet services. It provides high-speed internet across urban areas and some rural regions, with speeds up to 200 Mbps over fiber and strong reliability in St. George's and surrounding parishes . Digicel Grenada Digicel is the second-largest provider, offering fiber broadband, mobile internet, and data packages for both residential and business customers. Their fiber services are available in populated areas, providing speeds up to 100 Mbps, alongside DSL and wireless options . C Spire C Spire offers fiber optic internet in parts of Grenada, with symmetric speeds reaching up to 8,000 Mbps in select locations. Their services are primarily focused on high-speed broadband for both homes and businesses . AT&T AT&T provides fiber optic connectivity in Grenada, delivering high-speed internet with advertised speeds up to 5 Gbps. Availability may vary by region, and they cater to both residential and enterprise customers .

Other Providers

While satellite providers like Starlink, Viasat, and HughesNet operate in Grenada, they primarily offer satellite-based internet rather than fiber optic services. These a...
